SUBJECT: **ENVIRONMENTAL COMPLIANCE CERTIFICATE**

Dear **Mr. Sunico**:

This refers to your Environmental Compliance Certificate (ECC) application for the **Quarry and Cement Manufacturing with additional 1.5 MMTPY Finish Mill 6 Project** located in Barangay Minuyan, Municipality of Norzagaray, Province of Bulacan.

After satisfying the requirements of Presidential Decree No. 1586 and its Implementing Rules and Regulations and upon the recommendation of the Environmental Management Bureau (EMB), this Department has decided to grant an ECC in favor of the above-mentioned Project, thereby superseding ECC-CO-9409-006-105C issued on 03 July 1996.

With the issuance of this amended, RCBM is expected to fully implement the measures presented in the Environmental Performance Report and Management Plan (EPRMP) and Environmental Management Plan (EMP), which are intended to protect and mitigate the Project's adverse impacts on community health, welfare and the environment. Environmental considerations shall be incorporated in all phases and aspects of the Project. However, RCBM may proceed with Project implementation only after securing all the necessary permits from other pertinent Government agencies. This Office shall be monitoring the Project periodically to ensure RCBM's strict compliance with the stipulations cited in the attached ECC.

Please be guided accordingly.

Very truly yours,

By the Authority of the Secretary:
